

- |                                       |                               |
|---------------------------------------|-------------------------------|
| 1. Argeton tile plate                 | 7. Insulation                 |
| 2. Clamp                              | 8. Junction profile           |
| 3. Aluminium profile, vertical        | 9. Corner profile             |
| 4. Aluminium cleat                    | 10. Drainage abutment profile |
| 5. Thermal separation                 | 11. Sheet, canted             |
| 6. Aluminium carrier rail, horizontal | 12. Sealing tape              |

#### Notes

The details shown are simplified technical suggestions. The planning and realisation of the facade design are carried out building-specifically and in particular cases are to be adapted to the country building codes and guidelines.
