

- |                                |                               |
|--------------------------------|-------------------------------|
| 1. Argeton tile plate          | 7. Junction profile           |
| 2. Clip                        | 8. Spring profile             |
| 3. Aluminium profile, vertical | 9. Corner profile             |
| 4. Aluminium cleat             | 10. Drainage abutment profile |
| 5. Thermal separation          | 11. Connecting sheet          |
| 6. Insulation                  |                               |

**Notes**

The details shown are simplified technical suggestions. The planning and realisation of the facade design are carried out building-specifically and in particular cases are to be adapted to the country building codes and guidelines.
